No. 31 /PS-MS/MPPCB/2020

Bhopal, dt. 17/04/ 2020

Office Order**Relaxation from seeking Consent to establish/Operate for manufacturing of life saving medical equipments, life saving drugs, personnel protective equipments and gears, sanitizers and oxygen gas cylinders**

In the wake of CORONA VIRUS (COVID-19) pandemic outbreak, availability of life saving medical equipments, life saving drugs, personnel protective equipments (PPE) and gears, sanitizers and oxygen gas cylinders etc is to be ensured in the State immediately and this would require production on a large scale at the earliest.

Accordingly, for ensuring adequate supplies of the above mentioned life saving items/products in a shortest period and considering it as a topmost priority under this extra ordinary health emergency situation, the M.P. Pollution Control Board deems it necessary to allow manufacturing/production of all the above mentioned products and give temporary relaxation in the mandatory requirement of seeking prior consent to establish/operate to all the projects/ activities/industries.

Therefore, this State Board, in supersession and partial modification to all its earlier orders, hereby allows the following units involved in production/manufacturing/assembly of the following activities/products, to establish and operate new production units/expand existing production capacity and start production, without seeking consent to establish and consent to operate under the provisions of Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and

However, the aforesaid one time relaxation will be for a period upto 31st July 2020 only and all such units shall have to mandatorily apply for seeking the due consents after the end of relaxation period as per the categorisation of the industries issued by State Board.

So also, all the units, while operating, shall comply with the prescribed standards of the air and water pollution control and mitigation for curbing emissions/effluent/hazardous/ other solid wastes arising out of their activity and ensure that all pollution control measures are in place, so that no damage is caused to the environment in any case, or else the project proponent will be liable for action as per the provisions of the environmental laws.

Further, the above order does not exempt or absolve the said units/project proponents from seeking compliance with any other acts/regulations as applicable to it as per prevailing laws.

This office order will come into effect immediately and will remain in force till 31st July, 2020.

This bears approval of the competent authority.
